

# Use physical activity as a reward

## The Good Behavior Game:

- Write a short list of good behaviors on a chart. Mark the chart with a star every time you see the good behavior.
- After your child has earned a small number of stars, give him or her a reward.
- Give your child extra play time before or after meals as a reward for finishing homework.
- Avoid giving your child extra time in front of the screen as a reward.
- Choose fun, seasonal activities.
- Encourage your child to try a new sport or join a team.
