Healthy Lifestyles

PTAs nationwide are encouraged to plan healthy student events and family activities throughout the month as a way to kick off their year-long commitment to creating healthy and safe places for kids to learn and thrive.

What will your PTA do to celebrate? Get creative! Make healthy living fun! Go to National PTA Healthy Lifestyle’s website for more information on the below ideas:

1. Issue a student challenge each school day of the week
2. Plan a healthy event for the whole family
3. Serve only healthy foods at PTA events.
4. Make every PTA fundraiser a healthy one.

Crossing Guard Appreciation Week: November 13th-17th

The South Carolina Department of Transportation’s Safe Routes to School (SRTS) Program and its Resource Center are proud to sponsor South Carolina Crossing Guard Appreciation Week.

Schools and communities are encouraged to use this week-long celebration to recognize the role that crossing guards play in helping keep our students safe as they walk and bicycle to and from school! Consider nominating your crossing guard as an “Outstanding Crossing Guard”.
