Aquatic and Wetland Plants at Conestee

- Conestee Nature Park is full of plants that improve the wetland ecosystem.
- These power plants give homes to animals, prevent flooding, slow movement of water to help plants soak up nutrients, clean the air, and purify water.

Park Hop Adventure #6

Lake Conestee Nature Park

Clues*

Park Amenities

How many colors of wildflowers can you find in the park?

- What is the name of the dog statue at the dog park? Bring your own pet!
- How many seats are at the mushroom table at the playground?
- Find the workout station behind the playground. Try some push-ups, pull-ups, or hop around the Lop Hop. How many different exercises can you do?
- Find maps at the restrooms, trailhead kiosk, or online. Go find the big bridge across the lawn. What river does it span?
- The learning loop educational sign by the bridge gives an introduction to Lake Conestee Nature Park. How many acres is the park in total?

- Restrooms for children and adults
- Green space for picnics
- Space for games, Mobirec, and Tumblebus
- Dog park
