

[LiveWell Greenville](#) champions healthy eating and active living through convening community partners to impact policy, systems, and environmental changes.

On Friday, March 2nd 132 individuals from 48 organizations, representing all sectors of our community, convened in one place to HEAL\* Greenville at LiveWell's Annual Meeting.

\*HEAL (Healthy Eating and Active Living)

The HEALing Greenville Action Plan was unveiled to highlight ways to increase access to Healthy Eating and Active Living for ALL. Attendees participated in one of nine break out sessions to dive deeper into solutions and opportunities in each area.
